Nui Chua National Park

19-24 December 2023

A person wearing a dark jacket, dark pants, and a black cap is crouching on the edge of a large, light-colored rock formation. The person is looking down at something on the ground. The rock formation is part of a larger cliffside. In the background, there is a vast, green, forested valley with rolling hills under a cloudy sky. The text "Nui Chua National Park" and "Da Do Top" is overlaid in yellow on the lower left side of the image.
